Subject Category Requirements

A minimum number of hours must be earned through attendance at courses in each of the 11 dental subject categories as listed on the following page. After these minimums are met, dentists who meet the qualifications for entry via Entry Point II may apply credits earned either in actual course attendance, teaching, or publications. The maximum number of hours that will be accepted by the Board is also listed for each subject category. After subject category minimums are met, dentists may apply credits earned in elective courses.

*Completion of a second one-year residency or one-year post-grad fellowship will reduce the CDE requirement to 150 hours. The minimum and maximum number of required hours by discipline will also be reduced by one third (ex. Endodontics 20 hours minimum). The number of participation hours will be reduced from 200 to 100 hours.
